**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I understand AT&T is the big and rich (\$) company in wireless and mostly likely contribute lots of (\$) support to FCC or some of you.

please allow and support the small potato (Sonic) or others to have a chance to grow and being competitive.

I am a former prescriber of both AT&T and later on to Comcast and neither one is as supportive, friendly and advance in their technology as Sonic and I hate to loose a good wireless company.

The phone services also save me money as I am getting close to retire and my income will not increase at all. we seniors look for your help and support.

We consumers also can benefit from the competition and not all of us consumers make lots of \$.

Please help, appreciated for your support and being fair.
